

## Marketing Services Report

### Citrus SEO - Activity Summary

Provided by: Citrus Digital

This report is a summary of exactly what we've recently done to further drive your online results.

At Citrus, we don't just promise results - we deliver them.

Inside this report you'll see an itemized list of all the promotions and strategies we've orchestrated on your behalf in order to build a strong, diversified foundation of online exposure for your business.

We also provide you with your very own live keyword tracking dashboard - so you can see exactly what your website is ranking for right now, as well as how your rankings have trended historically.

If you have any questions, please contact John Barns (your Citrus account manager) at [john\\_barns@citrusdigital.com](mailto:john_barns@citrusdigital.com)

## Services Summary

Service Description	Date Completed	Volatility	Estimated Impact
Pro Press Release (Create+Distribute)	Aug 6th 2013	High	1-4 Weeks

*Detailed descriptions of services ordered including links to download additional report details on the following pages.*

## Keyword Tracking

With our live keyword tracking software, you can monitor your website's real-time positioning in the major search engines (Google, Yahoo & Bing).

Use our interactive charts to view your site's progress. Results are based on your primary target keywords, and our system records your site's position several times per day.

If you'd like to add additional keywords to track, please let us know.

## Task Details

### Pro Press Release (Create+Distribute)

---

#### Service Description & Benefits

This is a very professional and high quality press release service. Our team of highly skilled American press release writers have crafted a power press release for you which has now been submitted into multiple distribution channels.

There is a 98% chance that your release will be featured in Google News, and certainly in authority news sites such as The Press Enterprise, MercuryNews, The Boston Globe, Chron.com, The Daily Herald and hundreds / thousands more. A truly effective way of increasing brand awareness and generating a surge of new links and diversity. Very often, you'll receive direct contact from interested readers, agencies, customers etc from the exposure.
